

Dear Sir/Madam,

Greetings from Collegebrowser!

Collegebrowser.com is a one stop platform for the students and parents to know about various Under-Graduate (UG) and Post-Graduate (PG) programs offered by Universities/Institutes. Our platform enables the students and parents to explore multiple options and make a wise decision pertaining to the student's educational career through the help of our expert Student Counselors.

As a part of our 'Career Connect' initiative, we request you to accord us an opportunity to conduct a Seminar/Workshop to benefit the plus two Students of your esteemed Institution in enhancing their Career Enhancement/Professional Skills/Life & Personal Skills on a mutually suitable date at your premises.

The sessions have been meticulously designed by our expert resources to cater to the needs of the students and in sync with the curriculum and courses of your esteemed Institution.

It will interest you to peruse the below mentioned topics which we intend to focus in the proposed Seminar/Workshop. At the same time, should you desire any specific topic(s) which you would like us to facilitate for your Students, we will be only happy to do so.

Seminar/Workshop topics for your kind consideration:

- Alternative Careers in New-Age Industries
- Global Professional Courses
- Career Awareness and Preparedness
- 12th is the stepping stone to Career Success
- Passion drives you to choose your UG Course
